Jean Ann updated the board on issues pertaining to meetings held with regards to the status of the Marriage and Family proposal. WVLPCA has written a letter supporting that a close examination of the similarities between marriage and family and other areas of counseling occur and therefore does not require the development of a new and separate board to oversee the practice in West Virginia.

The WVBEC is pleased to know that the WVLPC Association has chosen to take the forefront on the issue of marriage and family licensure.

1. Credentialing committee requested a full board review of an applicant file for reciprocity from IL. At this time, the applicant has not completed the necessary paperwork for consideration.

2. Applicant applied for licensure 5/28/08 for reciprocity. Applicant is LPCP in IN (4/1/08) and is on probation October 2004 through September 2008. Will continue to review status at next meeting.

3. Applicant filed 3/17/08. Got provisional license. Was working at residential addictions facility and was fired for questionable relationship with a minor at the facility. DHHR is investigating and will cooperate with the Board on this issue. Motion was made to send letter to applicant asking her to explain her side of this matter M/S/P (Charonko/Frost).

Financial records were reviewed and approved.

Chris, Bob and Jean Ann spoke at the Counseling Conference on May 15, 2008 in Charleston. The evaluations for the presentation were positive. Comments included “very helpful” and “a lot of helpful information.”

Executive Director reported that Roxanne Clay has done a very nice job creating paperwork that helps track applicant files and paperwork and status for licensure as well as backing up data electronically. Ms. Clay was asked if there was anything the board could do to aide her in her transition to the full-time position and she responded that all is well for now.
